- Second time offenders receive **double punishment**
- Third time offenders receive a **lifetime ban**
- More than one offense at the same time is **at least the punishment for the most serious offense**

Troy - Regional Coach Admin

- **No Laps, Lectures or Lines**
- Each team needs **1 head coach, 1 assistant coach, 1 team manager & 3 referees**. They all need to be background checked and certified for their position
- **Mentor Coaching** (First Touch & Regional Board)
- **Coach Code of Conduct** - link was sent to coaches
- Where to find training information - **AYSOU** and Safe Sport
- Coaches should have **planned-out practice sessions**
- Coaches keep player **emergency release forms** at practices & games

- Information on printing Lineup cards is on AYSO website - **must print from Sports Connect**!
- **Law changes** especially regarding coaches getting carded if their parent is ejected
- No games with more than **6 goal differential**. There are consequences to demoralizing the kids on the other team. Suggestions to prevent 'Blowouts' - everyone must only pass to the least experienced player (who should be positioned as center mid-field during this time). The team will work to earn the ball back and pass it right back to that one player.

Player Development

Developing Soccer Skills, Tactical Awareness and Knowledge of the Game

Which promotes self-efficacy and and increased self-esteem

Allows kids to play at higher level, avoid injury and see results of their hard work and have fun!

Each team will have scheduled training with First Touch

- This is not ‘day off’ for Coaches
- Topic based training - share what your team needs to work on
- Drills - Learn new drills and improve old ones
- Executing Training Session and improve experience of the players
- You will be scheduled with FTS on your typical practice dates
- Submit request for additional Coach Mentoring through your DD

Sideline is Coach Responsibility to Manage

- Coach and spectators can be ejected
